Photo/Video Release - Videos and pictures taken of our rehearsals and performances may be posted online at the website, <https://sites.google.com/site/oceangrovechildrensshow/>. This allows the participants in our cast, and their families, to watch videos and view pictures after the program has ended, and brings back memories of summer days spent acting, singing and dancing. We would like to do this again this summer, but each year we have to ask everyone's permission. So that's why we're asking for a signature giving us photo and video permission. Please feel free to talk to us if you have any questions. Thank you.

I give my permission for photographs and videos taken of this summer's play rehearsals and performances to be presented online at <https://sites.google.com/site/oceangrovechildrensshow/>.
